BACK LABEL

Hermann J. Wiemer Vineyard pushes the limits of wine excellence and sustainable farming to craft remarkable wines that reflect our enduring winemaking tradition. This fruit-driven, sile-specific Riesling expresses the complexity of our Magdalena Vineyard. Its lively character encompasses juicy flavors with an underlying minerality, drawn from one of the ripest sites in the Finger Lakes.

Riesling Magdalena Vineyard

2022

The unique traits of our Magdalena Vineyard are featured in this lush Riesling. A beneficial air exchange with Seneca Lake moderates the temperatures, creating a warmer and more protective site in the colder months and a cooling effect throughout the summer. The airflow keeps the vineyard dry, and deep soil provides room for spreading root growth. The lime silt loam soil that the site is celebrated for is crucial to the development of flavor intensity in the grapes. The resulting ripeness greets you in the nose with an intense, floral bouquet. This gives way to a fruit-driven, mouth-coating freshness that lingers for minutes after the first sip.

TASTING NOTES

Notes of Orange blossom and shale-driven minerality show through with striking intensity. Layers of ripe orchard fruit and tropical fruit coat the palate, supported by broad, lingering acidities, which makes this one of our favorite Rieslings for food pairing, as it is both fresh but weighty enough for light appetizers to heavier and spicier entrees. We look forward to watching this wine evolve in the cellar, as it has both bold fruit and intense acidity that are sure to extend the life of this wine for many years to come. Drink now or hold until 2038. See wiemer.com for recipes.
