Riesling HJW Bio 2023

Sourced from a parcel at our HJW Vineyard, this wine highlights our commitment to ecosystem health and comprehensive viticulture practices. We adhere to unique farming methods that focus not solely on our vineyards but on the totality of our farm, promoting biodiversity in adjacent fields, forests, and meadows, while utilizing cover crops, beneficials, and homeopathic teas and preparations. Our goal is to continue the expansion of these practices and create wines that reflect the intrinsic compatibility of vineyards and their surroundings.

TASTING NOTES

Tantalizingly crisp with an appealing balance of tart fruits and alluring minerality, which carries into an impressive and enduring finish due to the larger format barrels used during fermentation. The perfect complement to seafood, lemon pasta dishes, and herbed chicken.
