PRODUCTION: 6-8,000 CASES

ABOUT STANDING STONE VINEYARDS:

Standing Stone Vineyards is integral to the heritage and future of the Finger Lakes region. Located on the Eastern slopes of Seneca Lake, the site is not only visually stunning but also ideal vineyard land. Factors such as proximity to the lake, slope, and soil type are vital components that contribute to moderating lake effects and ripening, and contribute to the distinct nature of our wines.

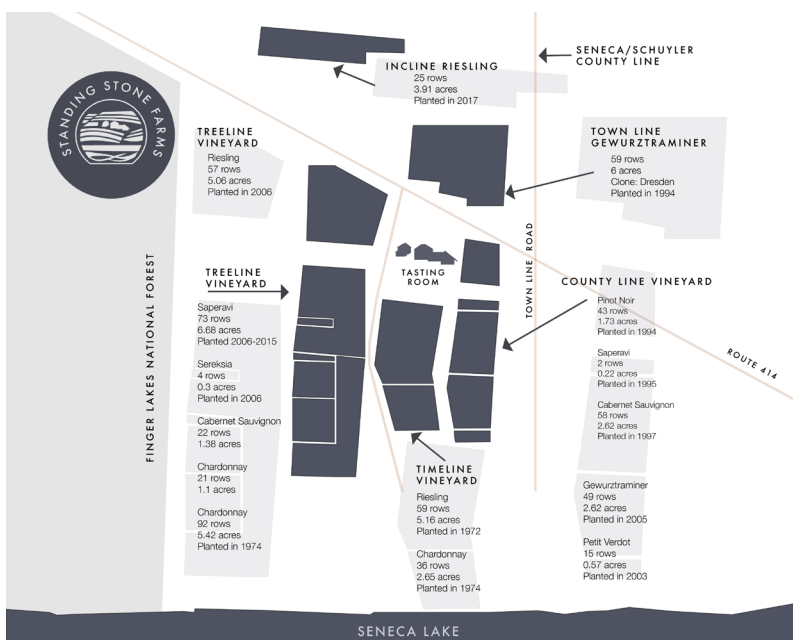

WINEMAKING:

Estate fruit is hand-harvested and hand-sorted, and vineyard qualities are worked in small lots and then blended to create wines of balance and texture. Fermentations rely on indigenous yeasts to ensure each wine embodies the truest expression of site. No fining or filtering additives or adjustments are ever used.

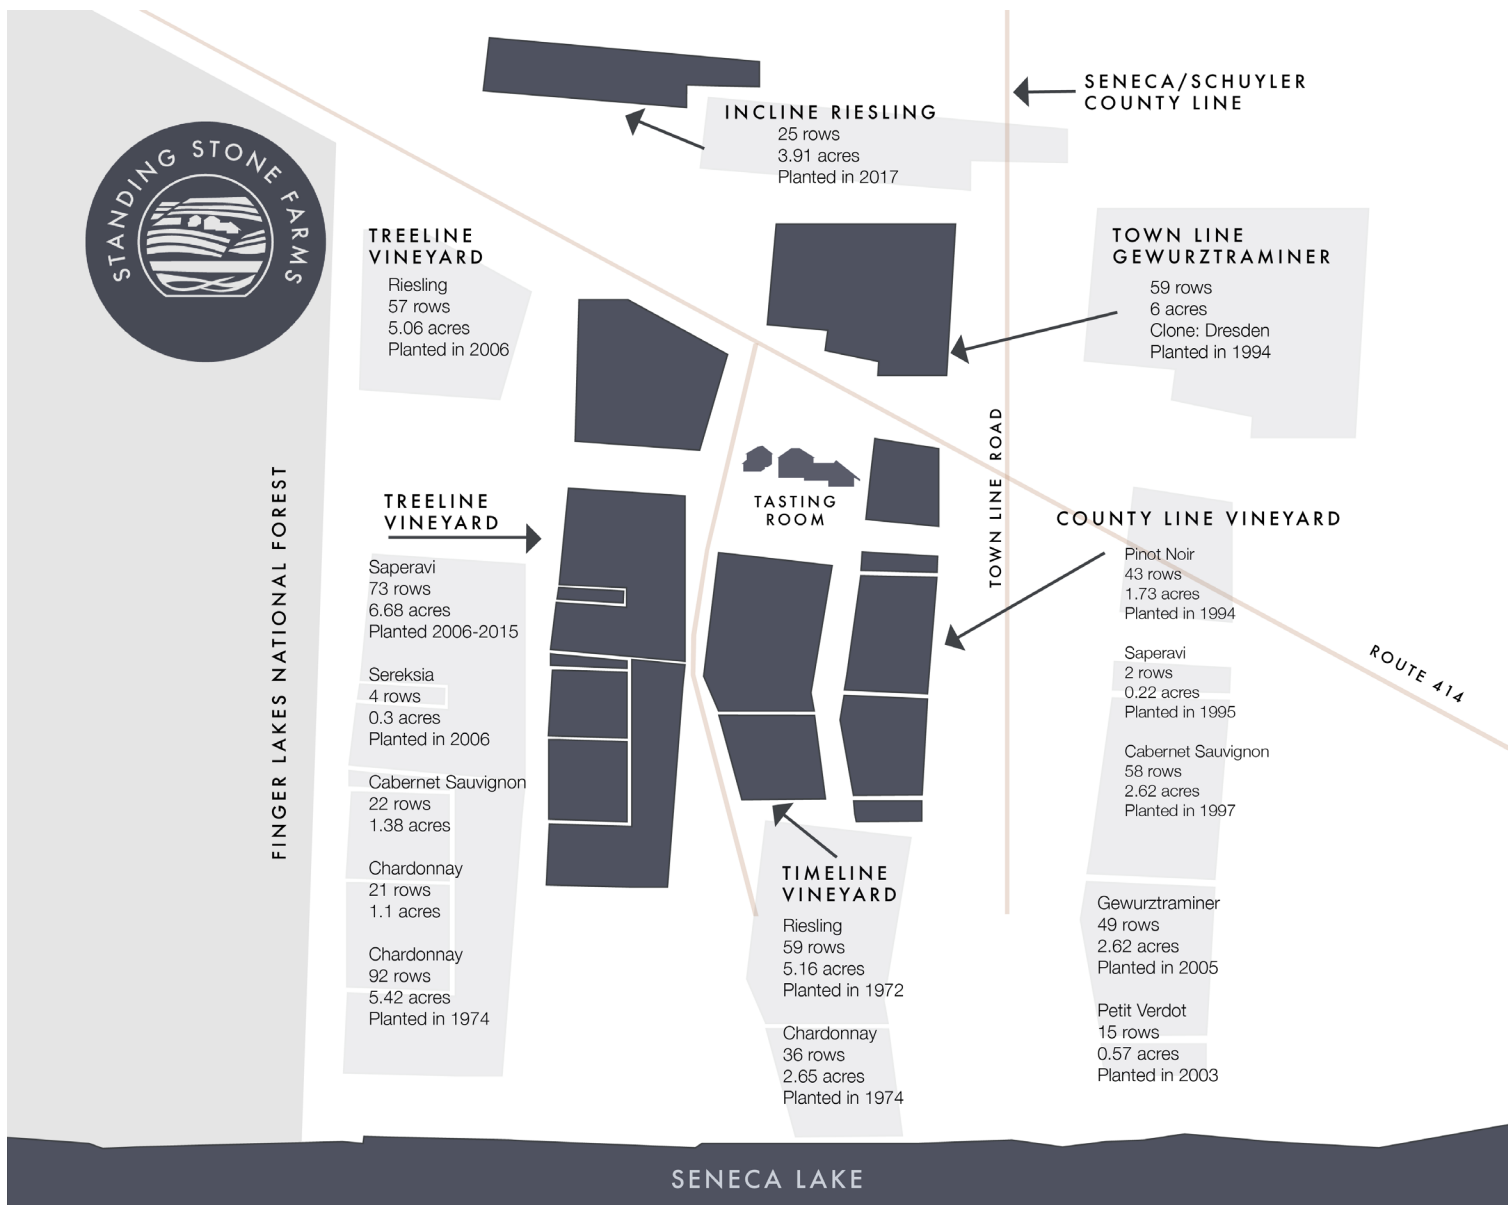

FARMING:

In order to achieve the purest expression of place, we implement low intervention practices, both in the cellar and in our farming methods. We have increased biodiversity and ecosystem health and eliminated herbicides and synthetic inputs.

Timeline riesling

In 1972, a 5 acre plot of Riesling was planted on the eastern slopes of Seneca Lake. This is where the "timeline" begins for what will one day be Standing Stone Vineyards. The combination of vine age and the site's location contribute to this dry Riesling's concentration and complexity.

INDIGENOUS YEAST FERMENTATION
NO FINING OR FILTERING ADDITIVES

Farm White

Our Farm White is a brand new bottling for the estate, and one that represents the white varieties planted at the farm. The Riesling portion of the blend was fermented partially on skins for 12 days before being pressed to finish fermentation. This imparts a delightful nutty and marmalade-like quality to the wine. The three varieties were then blended together and aged in large format barrels. This wine has wonderful texture and complexity and will pair with nutty and sharp cheeses.

Specs

VINTAGE: 2020

VARIETY: Riesling, Chardonnay, Gewürztraminer

VINE AGE: 12-24 years

ABV: 13.0%

VINIFICATION: Whole cluster press, indigenous yeast fermentation 3+ months, no fining or filtering additives, partial skin fermentation, aged in 500 L Hungarian oak barrels.

Farm White

Our Farm Red is a distinctive and versatile red table wine that balances density with brightness. Primary red and dark fruit flavors are complemented by a floral character adding a touch of delicacy to this bold red blend. Comprised primarily of Cabernet Sauvignon and Saperavi, this wine is juicy with medium tannin and pairs exceedingly well with all manner of red meat or BBQ.

Specs

VINTAGE: 2020

VARIETAL(S): Cabernet Sauvignon (54%), Saperavi (36%), Petit Verdot (5%), Merlot (5%)

HARVEST DATES: 10/25-11/2

ABV: 13%
