

STANDING STONE VINEYARDS

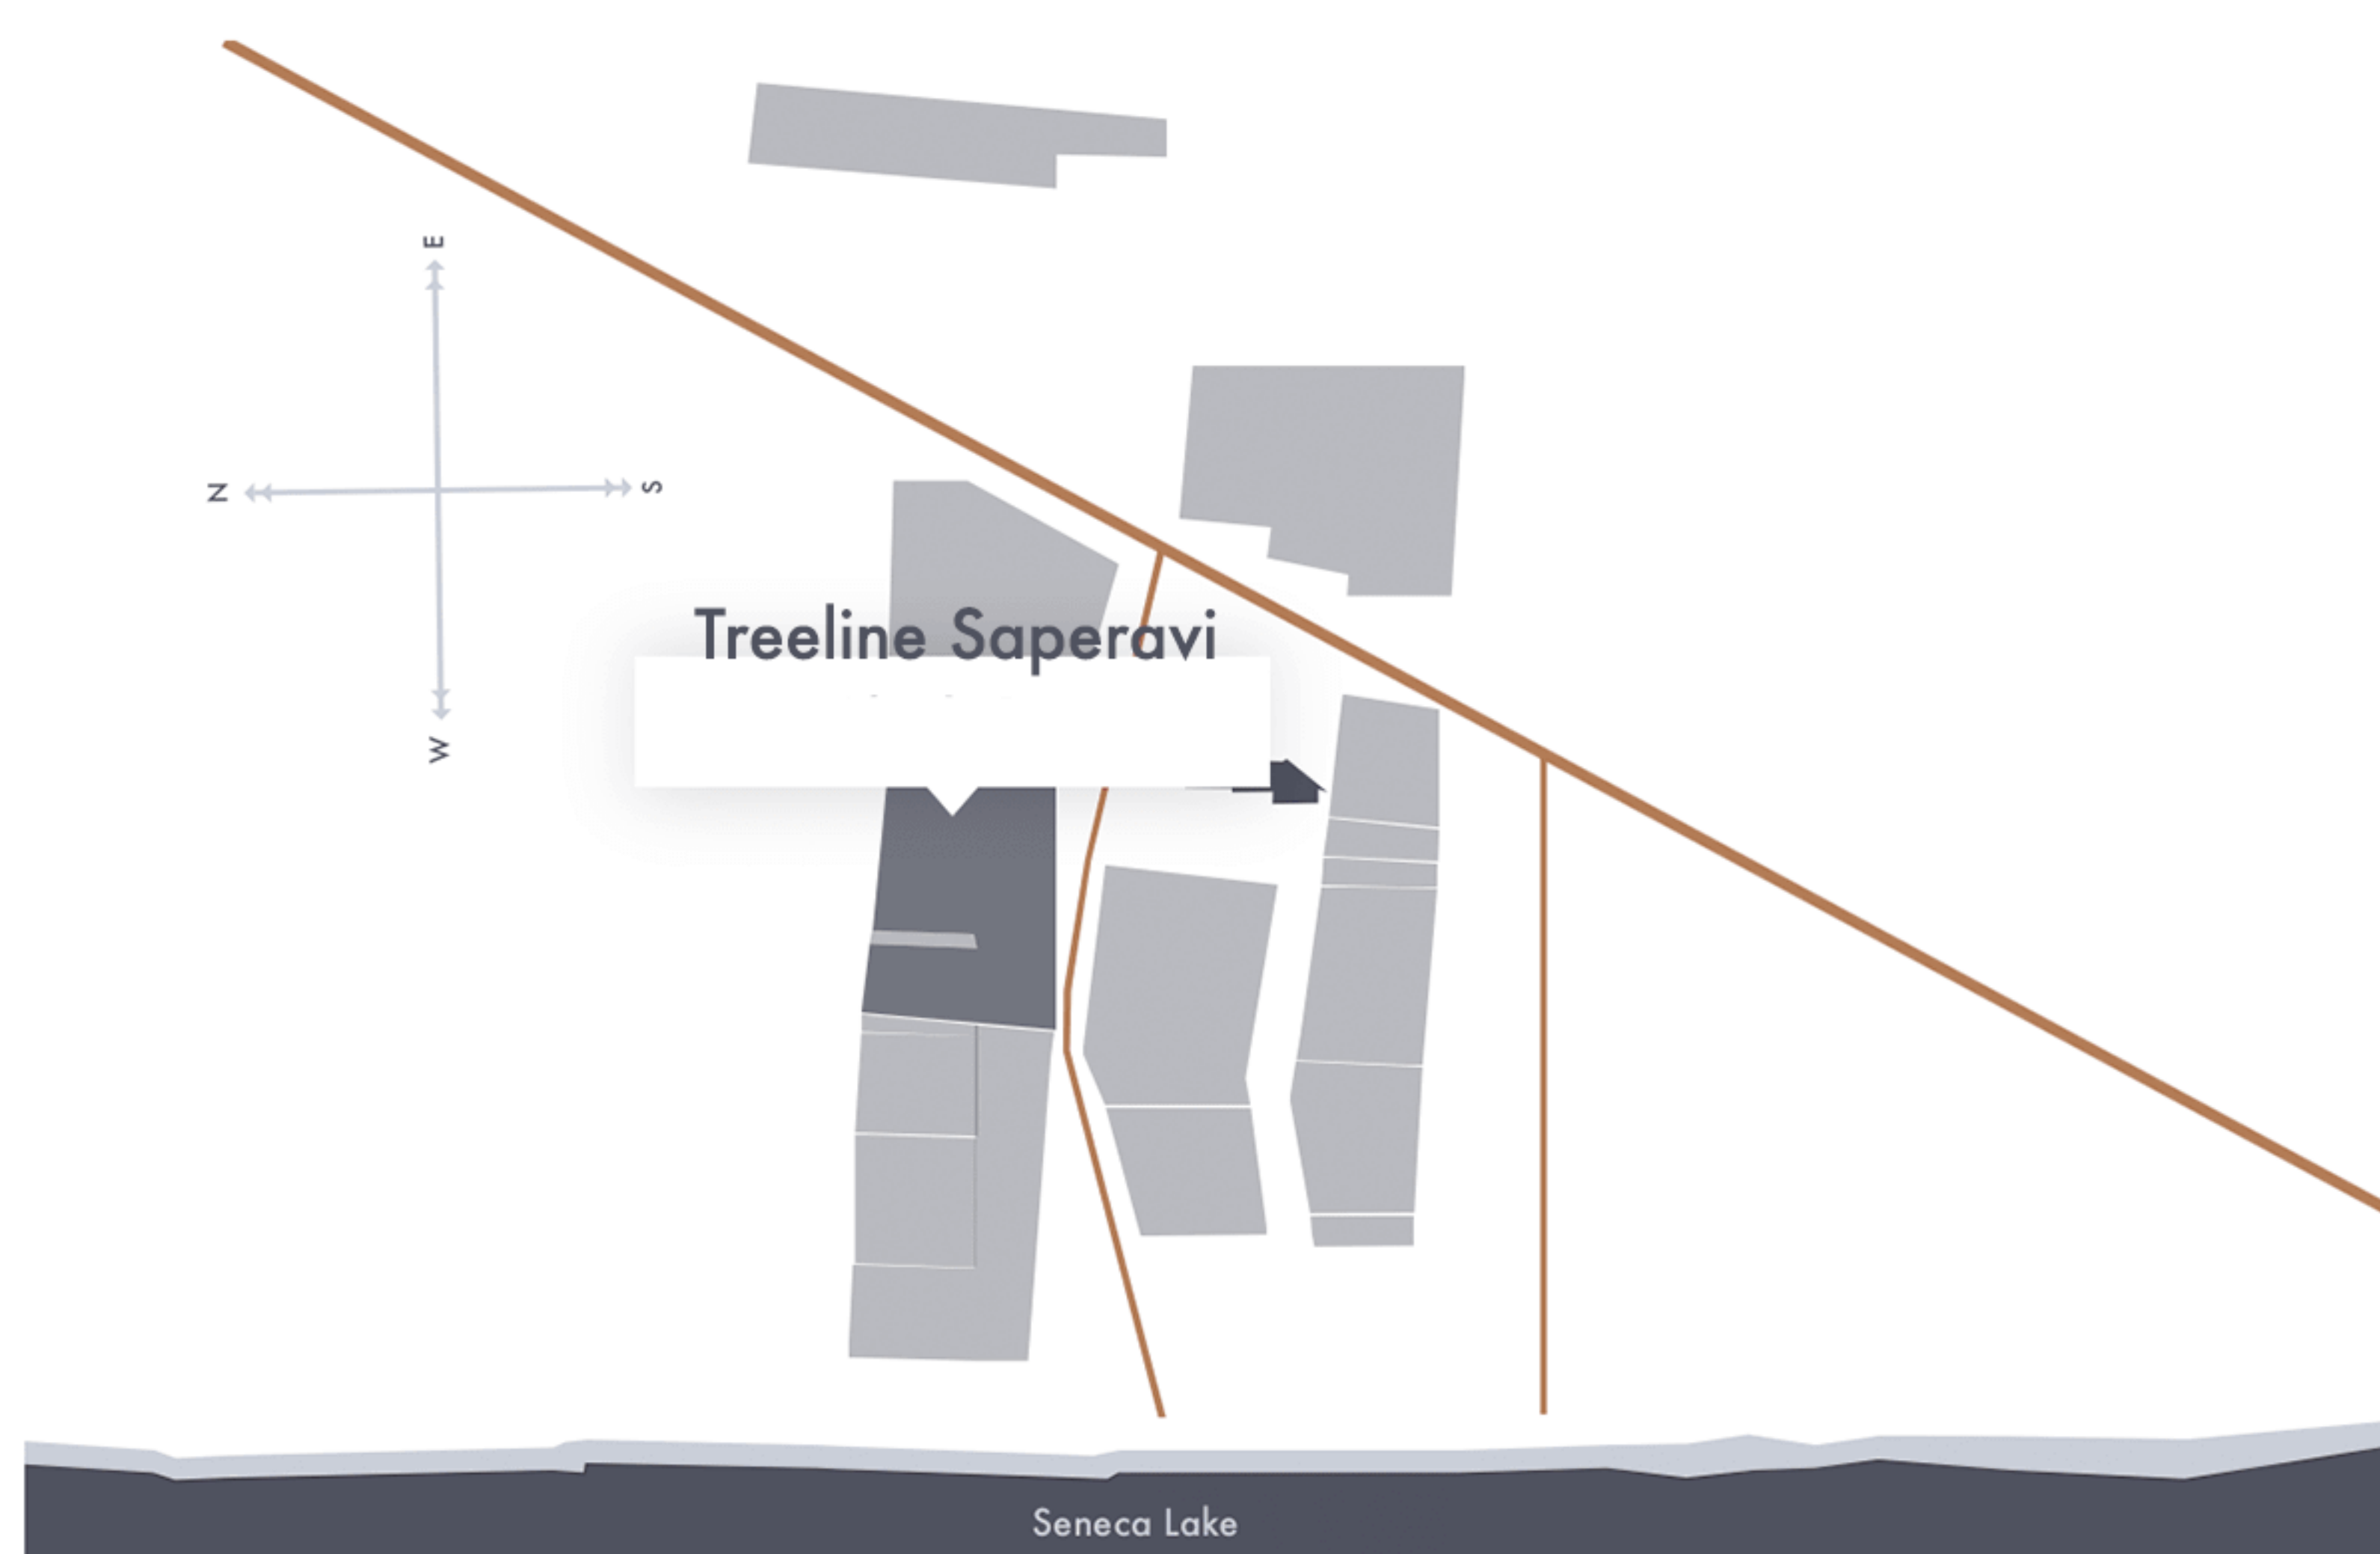

TEINTURIER SAPERAVI DRY ROSE

The 2023 rosé showcases the cranberry and lime zest acidity that we have come to know and love in this wine while reflecting the ripeness and fruit-forward nature of the vintage. The wine is electric ruby in color, a hue that is unique to this direct-press Saperavi Dry Rosé. The teinturier variety has pigmented flesh, meaning no skin contact is needed to imbue this magnificent shade of pink. Refreshing as an aperitif wine, Saperavi is an exemplary food pairing variety and this rosé style in particular is fantastic with everything from a decadent charcuterie board to grilled

ABOUT STANDING STONE VINEYARDS

Standing Stone Vineyards is unique in that it combines historic vineyards and an established past with endless prospects and avenues for exploration. The wines we make look to showcase all that this exceptional site has to offer. In order to achieve the purest expression of place, we implement low intervention practices, both in the cellar and in our farming methods and are working to increase biodiversity and ecosystem health and eliminate synthetic inputs.
