Reserve Dry Riesling 2021

The finest qualities of the estate are expressed in our Reserve Dry Riesling, an exclusive wine spotlighting unique characteristics from each of our vineyard sites. Small selections of grapes are meticulously chosen from specifically identified lots, which are fermented separately and then blended to create the exquisite balance of juiciness, freshness, and minerality displayed in this specialty bottling. A brilliant, tangy nose heralds a burst of stone fruit and citrus zest on the palate. Fruit and minerality play into a lingering finish that continues to make the mouth water long after the wine is gone.

Our Farming & Winemaking Practices

- As of 2004, we eliminated the use of herbicides
- Our core soil management techniques include the usage of organic compost and cover crops
- All estate fruit is hand-harvested and hand-sorted
- Our fermentations rely on indigenous yeasts
- We do not use fining or filtering additives
- Our sulfur usage is below certified organic levels (EU standard)

Hermann J. Wiemer Vine Nursery

Central to the care we take in our production is the HJW Vine Nursery. The nursery is a source of regional expertise and a platform for tailoring our vineyard approach with careful precision. It is a key link between our healthy soils, robust vines, and the excellence that we strive for in every wine.
